Here are just a few reasons to join us at this year's Forum in April:

- **General Sessions** – There's never been a year like it. And there's no one better than Postmaster General Jack Potter to put it all into perspective—and give you a clear look at what's coming next at the opening session to this year's event. Conclude another successful conference by joining your colleagues at the closing day General Session Lunch. A nationally recognized speaker will inspire, talk about the state of the industry, and look to the future.
- **Key Topics Led By USPS® Management** – Visit these sessions—being delivered by top Postal Service™ executives—to learn what they have to share with you about topics of importance to you and your business.
- **More Than 140+ Workshops!** – The 2010 Forum features over 140 workshops grouped into 14 professional certificate programs.
- **Network! Network! Network!** – Enjoy luncheons, peer-to-peer roundtables, evening receptions and Wednesday's spectacular Closing Gala.

If you cannot attend the above programs, you may still take advantage of NPF's biggest trade show ever!

This is your opportunity to take advantage of FREE admission to the NPF Exhibit Hall.
