

## Client Testimonials

---

**"PostalMate pointed my profits in the right direction."**

**Pat O'Sullivan, Village Mail & More, Rancho Bernardo, CA**

Pat O'Sullivan is just one of hundreds of parcel center owners who have achieved success by using PostalMate to automate their businesses.

What used to take minutes or hours now takes just seconds. Most importantly, customer satisfaction has been increased in every area and that translates into higher profits.

Read what other parcel center owners say about PostalMate, because their success stories can be yours.

---

**"My customers get the best rates possible."**

**Evan Keller, Super Postal Center, Boca Raton, FL**

With PostalMate you can compare rates between hundreds of carrier services, and make other complex decisions in seconds. PostalMate also automates packing, labeling and a myriad of other shipping related tasks, so that even new employees will look like shipping experts.

---

**"I've streamlined everything about POS."**

**Bud McEntee, PDQ Mail Plus, Larchmont, NY and Milford, CT**

Designed especially for parcel centers; PostalMate features its own point-of-sale cash register. Faster and easier to use than an ordinary register, the PostalMate register provides everything from inventory tracking and bar code scanning support to multi-level pricing and a wide selection of sales and profit reports.

---

**"I've eliminated tons of paperwork."**

**Joyce Lapee, Eagle Postal, Woodlands, TX**

Use PostalMate's standard accounts receivable functions to manage all of your customer billings. It handles both charge and debit accounts and prints monthly statements that provide a complete history of transactions for every customer. PostalMate also handles all of your mailbox rental activities including billing, payments, box rental and 1583 requirements.
