Ship From Your PC

Print complete, pre-paid, customized, and professional USPS shipping labels without leaving your desk. Plug into the USPS' massive delivery network, save money with their great rates, and get your packages picked up.

Reach The World

Go global - the USPS delivers to over 200 countries and Endicia Premium makes it easy. See rates, prohibitions & restrictions for your destination; and print pre-filled customs forms to avoid costly mistakes & wasted time.

Insure The Easy Way

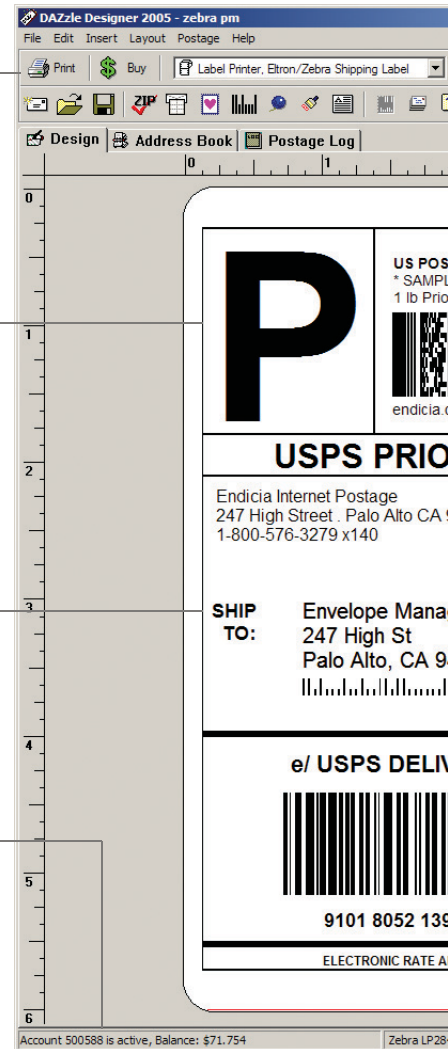

Stop wasting your time filling out forms and waiting in line. Get your parcels insured from your desk and picked up from your doorstep. With Endicia Insurance, you'll save up to 67% on your cost.

Print your label to any inkjet, laser, or thermal printer, including popular 4"x6" printers

Take advantage of any USPS domestic or international mail class at single-piece rates

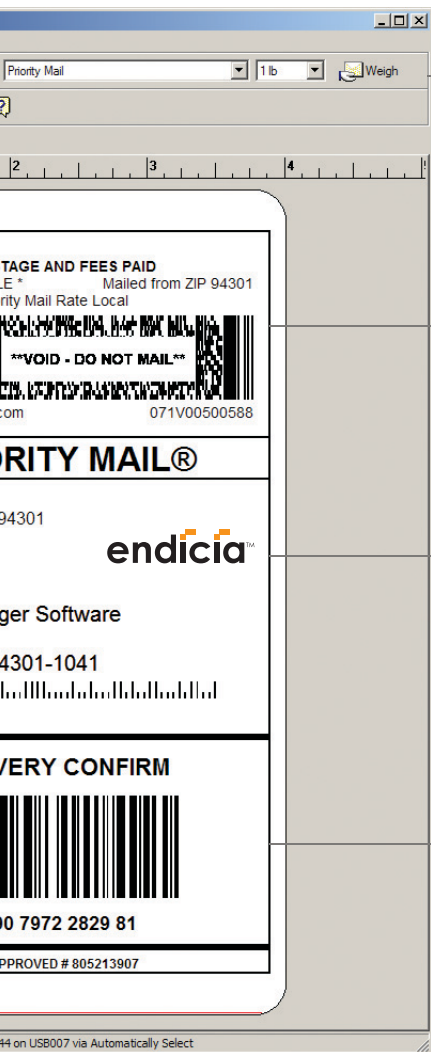

Validate and standardize your addresses to ensure fast and accurate delivery

View your account balance, status, printer selection, and paper source from the main screen

www.endicia.com

Fulfillment Has Never Been Easier. Anyone can throw a widget in a box and expect the best. You'll get the expectation for fast, efficient shipping & follow-through; as well as your need for competitive rates and global reach of the USPS right from your PC. You'll print pre-paid shipping labels with professional branding. You'll protect your shipping margins with hidden postage amount and parcel insurance. You'll impress your customer and reduce your support costs by validating addresses. You'll streamline your process by integrating your order management system.

Read the weight of your packages automatically from various supported scales

Use Stealth Postage™ to hide the postage amount from your package and avoid S&H fee complaints

Customize your labels with logos, images, rubber stamps, and even invoice numbers or barcodes

Save money on each package with discounted electronic Delivery or Signature Confirmation

and take it to the Post Office, but a business must fulfill - the customer's need for profitability & repeat business. Endicia Premium brings you the great shipping labels that are ready for pickup and customized with your own content. You'll save time & money with discounted Delivery Confirmation and shipment notification e-mails, barcoded labels, and validated management and tracking your shipments online. In other words, you'll fulfill.

Eliminate Double Entry

Fulfill orders without ever leaving your order management application. Whether you wrote your own software or use one of our integrated partner systems, you'll save time and skip the hassles & errors of re-typing order data.

Manage Your Shipments

Send shipment notification emails to your customers before they call to ask. View your postage statements anytime, anywhere. Glance through transactions, lookup a package, or see the delivery statistics on all your tracked mail.

Handle The Rest of Your Mail

Print postage labels for your occasional mail from your inkjet, laser, or DYMO LabelWriter printer. Use them to mail bills, letters, postcards, etc. Save them for later - they are not tied to an address and do not expire.
